

LINE CARD

- Pad Mount, Substation, & Dry-Type Transformers
- Rental Transformers
- Spare Parts
- Transformer and Electrical System Service and Repair

- High Resistance Ground
- Ground Fault Protection Relays
- Neutral Grounding Resistor
- Arc Flash Protection

- Non-Seg Bus Duct
- ISO Phase Bus
- Advanced Systems
- Bus Bar Fabrication
- Field Service

- Cable Bus
- 600A to 8000A
- 480V to 28kV
- 3D Modelling
- Custom Bus Solutions

- L.V. and M.V. Soft Starters
- MV Contactors
- Heater Controllers
- Motor Protection
- C.T.'s and V.T.'s
- Electronic Motor Brakes

- Motor Control Centers
- Low Voltage Switchgear
- Low Voltage Switchboards
- Custom Control Panels

- Steel Interlocking Panel Power Distribution Centers
- Floorless Shelters
- Lightweight Fiberglass Shelters
- Communication Structures

- Metal Clad Switchgear
- Metal Enclosed Switchgear
- Power Distribution Centers
- Pad Mount Switchgear
- Primary Metering

Continuous Off-Line Insulation Resistance Monitor for Low and Medium Voltage:

- Motors
- Generators
- Cables

- Circuit Breaker Recondition and Repair
- Switchgear and Motor Control Spare Parts
- Switchgear Training Cubicles

- Switchboard Power Meters
- Power Quality Monitoring
- Advanced Revenue Meters
- Energy Monitoring/Submetering
- Energy Management Software

- AC/DC VFD Refurbishment
- Servo Motors Repair
- Industrial PC Repair
- PLC & HMI Refurbishment
- Electrical Relay Repair
- Power Supply Repair
